surendrakandula79@gmail.com | 9553830545 | Full Stack Web Developer |  
<https://www.linkedin.com/in/surendra-kandula-a63881309/>

## OBJECTIVE

Experienced full stack web developer with two years of expertise in building responsive applications using React.js, Next.js, Node.js, and RESTful APIs. Skilled in developing scalable frontend and backend solutions, collaborating effectively in fast-paced environments. Adept at supporting modern web development practices aligned with the role of Software Engineer Co-Op, emphasizing proficiency in Typescript, React, Next.js, and GitHub workflows.

## EXPERIENCE

### Junior Application Developer | Maganti IT Solutions Private Limited

2023, Present

- Developed and maintained responsive web applications utilizing React.js, React Bootstrap, and Node.js, enhancing user experience and functionalities.
- Collaborated with AI team to integrate automation and chatbots, streamlining client onboarding and support workflows.
- Built RESTful APIs supporting web features, ensuring robust communication between frontend and backend systems.
- Implemented dynamic user interface components and contributed to technical documentation for better maintainability.
- Utilized Git for version control and Postman for API testing, ensuring high-quality and reliable code delivery.
